

# Working plans of RTF National Delegates for 2012

- Active promotion and, if possible, personal involvement by RTF national delegates in ESOR programmes.
- Active promotion of RTF promo kit.
- Submission of at least one case to EDiR during 2012.
- Stimulation of involvement of undergraduates in meetings and ECR, awareness of existence of Rising Stars programme.
- Active promotion of ESR Learning tools.
- Provision of information on Master/PhD programmes in biomedical imaging currently available in the country of the respective RTF delegate.
- **Participation in future Survey on Radiological Practice.**
